Dear well wishers,

Vanakkam!

We the children and teachers of Sarva Seva Matriculation School, Thonugal are very happy to write this thanking letter for your support to renovate 3 school buildings. We are now able to have comfortable and spacious class rooms with sitting and writing benches. We did not use these class rooms as they were very much damaged. We were afraid to use the class rooms. Now the buildings are renovated completely and look like new buildings. They are very bright and attractive. Now we have comfortable learning atmosphere. Now we feel very safe and protective. The teachers are also having encouraging atmosphere for teaching. Since the teachers and the children are comfortable the teaching and learning is successful. We the children feel very fresh with free mind to concentrate in our studies. Totally the campus is full of life and happiness.

We are very sincerely thank all the donors for giving us this opportunity with safe and comfortable class rooms. Our parents also join us to thank the donors for this valuable help. We will maintain the buildings properly and bring credit to the school. Once again me thank the donors.
